A SERIOUS shooting accident occurred on the Association range, Kowloon, yesterday, while a party of bluejackets from H.M.S. *Daphne* were volley-firing at the 400 yards range. About half-past twelve o'clock, a Chinese boy, in company with a number of sailors and other coolies, was sitting outside the marksmen's hut, about sixty yards from the iron targets, when a bullet struck him on the right side of the neck. The coolie, who lost a considerable quantity of blood, was immediately attended by a naval doctor who was with the firing party, and after having his wound dressed was removed to the hospital.

We are requested to state that copies of the Address to Her Majesty and sheets for signature have been placed at the stores of Messrs. Kelly and Walde; and Messrs. Lance, Crawford & Co. and at the Hongkong Club and the Ladies' Recreation Club. Copies have, for the present, been placed only at these four places, as it is desired to avoid as much as possible having a number of sheets with only a few signatures on each and consequent unsightly blank intervals. Copies are also being circulated among the principal houses of business, but it is found impracticable to send them round to all hongs and private houses. Ladies and gentlemen are therefore invited to sign the Address at one of the places above specified as early as possible.

SOONLY after eleven o'clock yesterday morning a fight occurred between the Chin-chew coolies employed by the Hongkong and Kowloon Wharf and Godown Company and a band of carpenters employed in repainting the No. 2 wharf at Kowloon. The coolies were rolling barrels along the wharf on which the carpenters were employed, and the carpenters refused to give way a regular melee occurred, in which sticks and axes and adzes were freely used. Two of the combatants received severe wounds on the arms from an adze. The Indian constable on duty at the fort, wharf, observing the affray, went immediately to the wharf and arrested several of the men. In all, eight were arrested by the Police. There is direct evidence against three of the defendants of being implicated in the riot. At the Magistrate to-day, the case was adjourned till 2nd May, to allow of the attendance of the injured men. The first three persons were allowed bail of £50 each, and the remaining prisoners were remanded for trial.
